

Privacy statement Masterenzo Mastering:

The contact form placed on the website of Masterenzo Mastering (www.masterenzo.nl) offers visitors the opportunity to contact Masterenzo Mastering.

In compliance with the General Data Protection Regulation (GDPR) which has been effective since May 25, 2018, privacy sensitive data coming from form submissions is solely used for communication via email, telephone or text/WhatsApp between clients and Masterenzo Mastering.

Privacy sensitive data filled in in the form (name, email address and/or phone number) will be deleted from our server on a regular basis.

Data coming from the forms will not be provided to third parties, nor will it be used for sending out newsletters or other forms of marketing driven communication.

Clients have the right to access the data coming from form submissions. Clients also have the right to request deletion of this data.

Cookie guideline

The use of cookies on the website of Masterenzo Mastering (www.masterenzo.nl) is strictly limited to cookies that enable proper functionality of the website.

You are free to change your web-browser cookie settings in order to prevent cookies from being used. This might cause some functions of the website to work different than expected.

Cookies and Google Analytics

The website of Masterenzo Mastering uses Google Analytics to monitor site traffic. Google Analytics uses cookies in order to function properly.

For the use of Google Analytics, Masterenzo Mastering has signed a user agreement with Google. To preserve the privacy of visitors to the website of Masterenzo Mastering as much as possible, the last three digits (octet) of each IP-address has been masked.

Masterenzo Mastering does not make use of any other services related to Google in combination with Google Analytics.
